**ORDER**

People of MI v Anthony Lamar Bonner

Docket No. 346460

LC No. 17-000577-FC

Judges

---

The Court orders that the motion for immediate consideration is GRANTED.

The motion for oral argument is DENIED.

  
Presiding Judge

Judge Gleicher concurs with the denial of the motion for argument, based on the inability of prosecuting attorney to participate. In my judgment, the prosecuting attorney presented a reasonable ground for her inability to appear virtually during the time Executive order 2020-21 remains in effect. While ordinarily the inability of one party to participate would not influence an oral argument determination, in these extraordinary times I do not object to denying the motion for argument on that basis.
